

Provider Claim Note Fall

Bay Area ER

Patient: Carlos Martinez

DOB: 11/21/1983

Service Date: 08/03/2025

Clinical Notes:

Patient reports lower back pain after a fall at his apartment complex.

States that the landlord had failed to repair a broken stair.

However, patient also has a prior history of chronic back pain and degenerative disc disease.

MRI ordered to rule out acute injury.
